My Accounts

After logging in to **MyPepper**, you will land on the **My accounts** page. This is where you can see all of your active accounts.

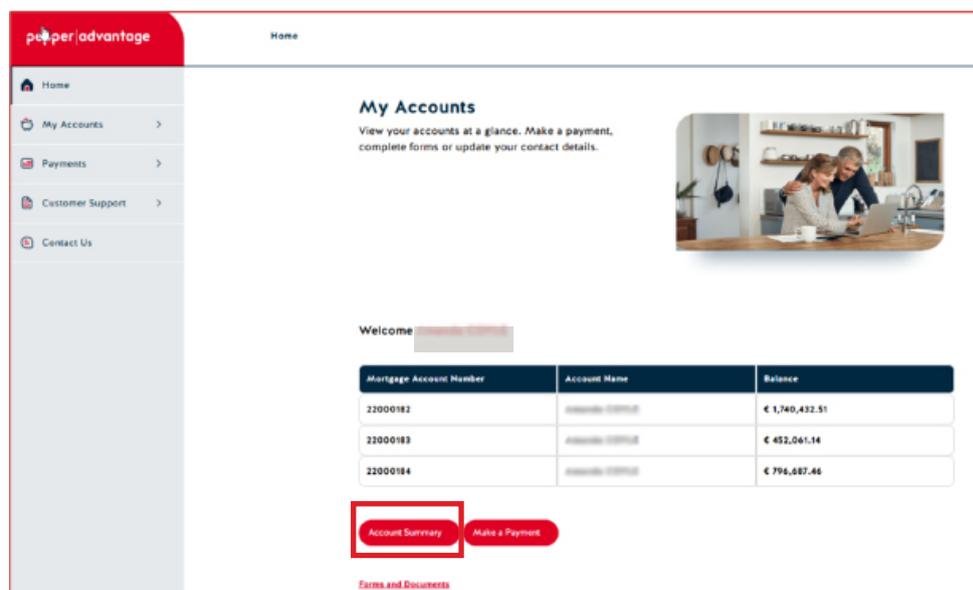

Click on **My account** on the menu on the left side to access this page at any time.

What you can do on the My accounts page

View account summary

- **Step 1:** Select Account Summary, from the red button at the bottom of the page, or from the menu (click My accounts and then choose Account summary).

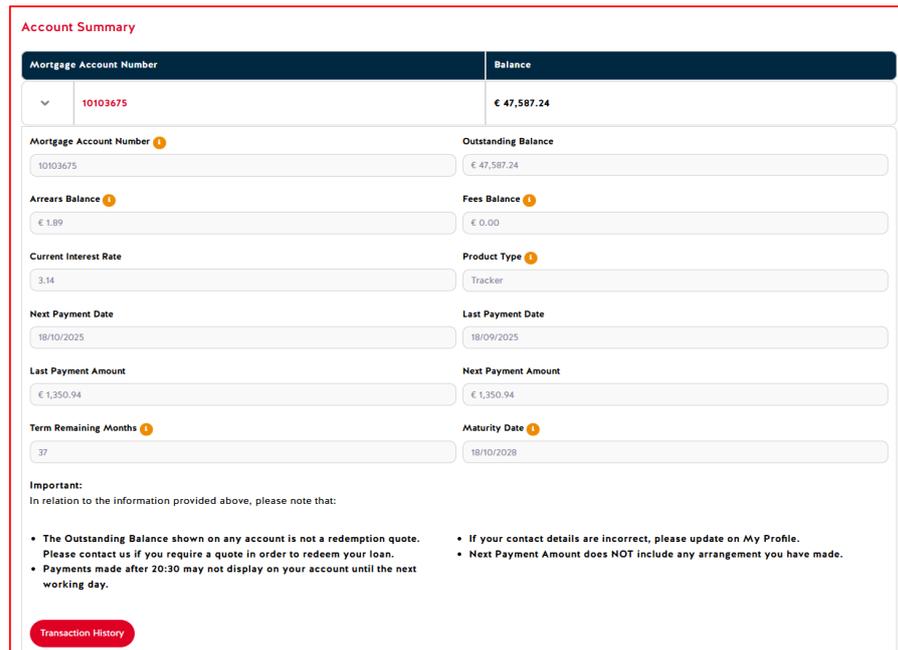

- **Step 2:** Now click the **arrow** beside the account you want to view.

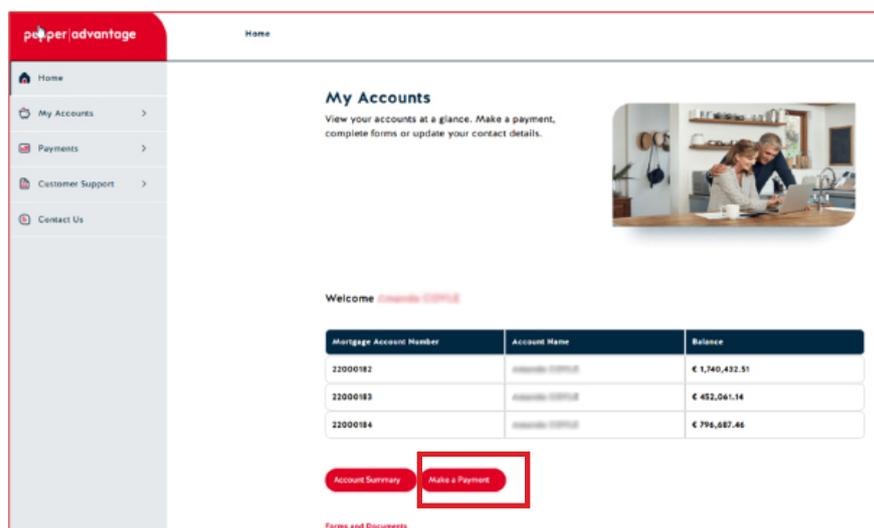

This will show:

- Outstanding balance – the amount left to pay on your loan
- Current interest rate – the interest rate you are paying now
- Product type – the type of mortgage you have (such as a tracker)
- Next payment date and amount – details of the next repayment
- Term remaining months and maturity date – information on when the mortgage is due to be paid in full

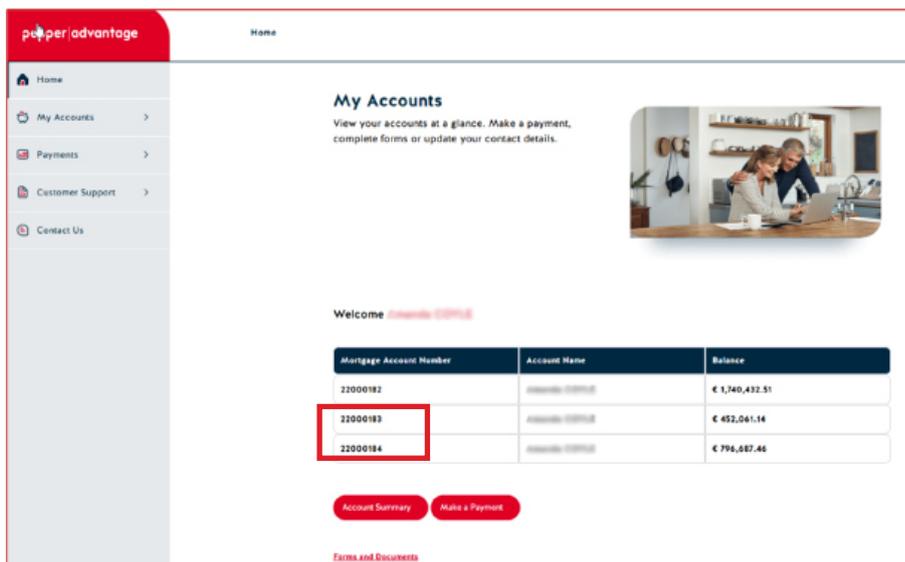

Make a payment

Click on **Make a payment** button to go to the payment options page. See the [Payments](#) guide for step-by-step instructions for making payments.

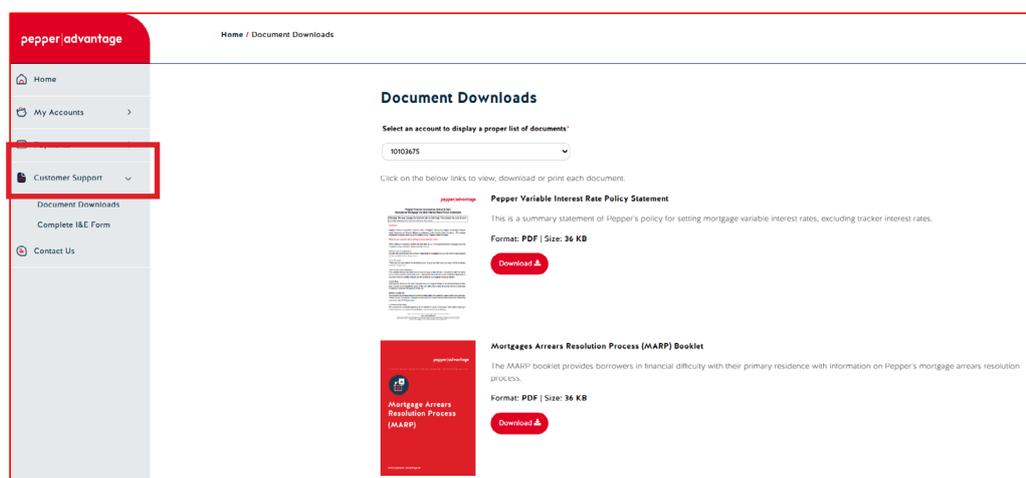

Access Forms and Documents

Click on **Forms and Documents** to view and download forms, booklets and useful documents.

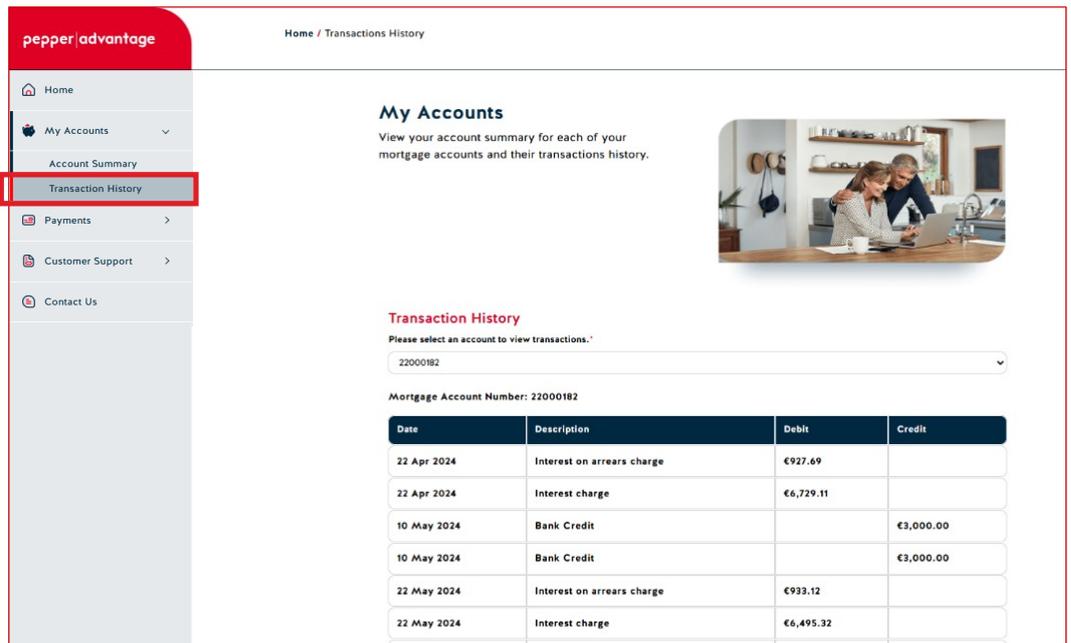

💡 See the [Customer support – documents and forms](#) guide to find out what forms and documents are available for download

MY ACCOUNTS

View Transaction History

Click **Transaction history** to view transactions on your account made in the last 12 months.
